Re: United States v. Sazonov (17-mj-02798) 17-cr-657

Dear Magistrate Judge Aaron,

I am writing on behalf of our client, Susquehanna International Group, LLP ("SIG"), the former employer of Dmitry Sazonov, the defendant in the above-captioned matter. As a victim of the defendant's actions in this case, SIG respectfully requests the opportunity for a representative of the firm to deliver a verbal statement at sentencing addressing the impact of the defendant's conduct on SIG.

As previously discussed with the government, SIG is also seeking restitution for attorneys' fees and investigative expenses incurred as a result of the defendant's conduct. We understand that this request will be included in the government's sentencing submission.

SIG is prepared to provide the Court or the Probation Office with any additional information that would be of assistance. Thank you for your consideration.

ENDORSEMENT: Request GRANTED. In addition, SIG is hereby ORDERED to provide to the Court at or prior to the sentencing, a breakdown of the daily hours billed, brief descriptions of daily work done and billing rates of Wilmer Hale and K2 personnel that are the basis for the \$156,255.22 in restitution sought by SIG.
SO ORDERED.

Sincerely,

 151 SM
Brendan R. McGuire
